## Frequently Asked Questions

### Why marching band?

Marching band is a unique component of the high school band curriculum. Marching band offers students a rich artistic experience and provides students opportunities to contribute to the spirit and enrichment of our school community.

### Is marching band required? I don't play a traditional marching instrument!?!

All high school band students participate in marching band as part of our curriculum. In fact, many of our students cite marching band as a highlight of their year! Some students may learn a secondary instrument for their marching band experience.

### When does Marching Band rehearse?

**Summer:** Bi-weekly Conditioning Sessions followed by Percussion Camp and Full Band Camp, usually held at the end of July and early August. [Please see the band calendar for specific dates and times.](#)

**Fall:** Woodwind and Brass students rehearse both concert and marching music and fundamentals as part of their regular ensemble class. All Percussion students are grouped into a single class during the fall. Color Guard members also enroll in a band course for the semester. Students also have two evening rehearsals per week. [Please see the band calendar for specific dates and times.](#)

### Why evening rehearsals?

Most high school marching bands rehearse at 7 AM 4 – 5 days per week in addition to an evening rehearsal. Research and experience show high school students are more alert and engaged later in the day. This schedule allows students to focus on school work during the day and makes for more efficient use of time and facilities.

### What is Summer Conditioning?

As with any other sport or activity, band students must practice and refine certain fundamental skills on a consistent basis. These shorter, but more frequent sessions develop a strong foundation for success throughout the marching season. Students also have more opportunities to connect with their section!

### Do we do anything besides rehearsing and performing?

**YES!** While rehearsals do focus on refining our marching show, we take time to further develop our relationships as an ensemble through team building and social activities including spirit days and competitions. We have a lot of fun!

### When does marching band perform? Do we compete? Do we travel?

Marching Band performs at 4 football games each fall in addition to 3-4 competitions or exhibitions. Our competition schedule often includes travel to neighboring states. [Please see the band calendar for specific dates and times.](#)

### What about sports and extra-curricular activities? Do I have time for band?

**Band AND...!** We **encourage** students to take advantage of the many athletic and extra-curricular opportunities available at Blue Valley West! With careful planning and advanced communication, students can very successfully participate in band and other activities!

### What does it cost?

There are some costs associated with participation in the West Band Program. The fantastic Blue Valley West Band Boosters handle the band's financial support and provide fundraisers throughout the year. No student is ever turned away from the band program due to finances.

### Questions?

If you have additional questions, **PLEASE** reach out to one of the directors. We want students to have a positive and meaningful experience here in the West Band Program! We look forward to working with you this coming fall!
