### General Notes

- This event is a milestone in our preparation each year. It is an opportunity for each of the bands to share their competitive show for each other. West will have individuals in the stands providing critiques to use in our following rehearsals.
- Remember that every student performing has had the same journey – COVID lockdowns, band camp, rehearsals, etc. Give them the same applause and positive energy that you want to receive.
- Represent our school and band program in accordance with our cornerstones – bands are family – no matter which school they represent!
