				BVW Boys vs. BVSW	

Basketball Pep Band is a fun and exciting way to support our school community and experience playing your instrument in a different environment! As we return from COVID and rebuild our performance traditions we want to be sure our pep band is a strong representative of our program. To meet these goals, pep band will be structured as follows this year:

- All band members will be required to perform at 2 nights (or a total of 4 games.)
- Most nights are double headers (meaning 2 games – Varsity Girls then Varsity Boys on the same night.)
- You may volunteer to perform at as many additional games / nights as you wish – extra games count towards earning a varsity letter!
- If you have a conflict with another activity on your assigned night visit with Mr. Love to either swap nights or games. Not a problem! Just please communicate well in advance.
- Pep Bands are divided evenly to ensure a quality instrumentation and level of performance.

Pep Band Performance Expectations

- Uniform: jeans or dark pants and our BVW Pep Band Shirts.
- Have your music binder, instrument, and music stand ready to go in the band room at the report time.
- We play from pre-game warm-ups to the end of the game with a break at 3rd quarter.
- Pay attention, be spirited, and play your best!

Other Notes

- Students intending to audition for Drum Major should attend all pep band nights – you will be given opportunities to practice leading pep songs to practice for auditions.
- We will rehearse pep band music during class as we close out first semester and during our first few classes after Winter Break.
- Depending on interest, we may do a collection to provide pizza / dinner on some or all nights.
- Students may only play secondary instruments with prior approval.
